It’s Spring in Armenia!

After a snowy winter, we hope you are enjoying blooming flowers and sunny days this spring! Warmer weather means fun outdoor activities in Armenia, and we hope you enjoy our thoughts on where to eat, hike, and enjoy some time poolside in this installment of the Andznagir.

While warmer weather brings more options for safe outdoor activities, we also want to remind U.S. citizens to continue to take precautions to prevent the spread of coronavirus. We continue to take measures at the Embassy to keep you and your family – as well as our employees – safe. As a reminder, face masks are required when visiting the Embassy. Our ACS team will continue to provide the latest COVID-19 information on our webpage, and to share that information via email and SMS for those enrolled in STEP.

While some consular services remain limited, we continue to provide appointments for passports, consular reports of birth abroad, and notarial services. We remain here to serve you and can be reached via the contact information found in this newsletter, while appointments can be made on our webpage.

Remembering April 24

On April 24, Armenians marked Remembrance Day, a day honoring Armenians lost in the genocide. U.S. Ambassador to Armenia Lynne M. Tracy paid her respects at Tsitsernakaberd. This year, President Joe Biden commemorated Armenian Remembrance Day by honoring the victims of the Armenian genocide.

To share the President’s words, he stated:
“Today, as we mourn what was lost, let us also turn our eyes to the future—toward the world that we wish to build for our children. A world unstained by the daily evils of bigotry and intolerance, where human rights are respected, and where all people are able to pursue their lives in dignity and security. Let us renew our shared resolve to prevent future atrocities from occurring anywhere in the world. And let us pursue healing and reconciliation for all the people of the world.”

Photo: Asatur Yesayants

You can find President Biden’s full statement on Armenian Remembrance Day here.
Armenia Coronavirus Update

The situation related to coronavirus remains serious worldwide, and we urge you to continue to adhere to local requirements related to face masks and social distancing. The Government of Armenia’s quarantine regime remains in effect through July 2021. Individuals entering Armenia must provide a negative COVID-19 PCR test taken within 72 hours of arrival or submit to testing on arrival and quarantine until a negative result is received.

Individuals who have been fully vaccinated should check with the airlines and be familiar with the rules for their departure and destination countries. As vaccine rollouts proceed in the United States and elsewhere, entry and exit requirements may continue to evolve.

Recently, the Government of Armenia announced vaccines would be made available to non-Armenian citizens in country free of charge. Those interested in pursuing a vaccine option locally should call their local polyclinic for more information and to make an appointment.

You can find more information on the situation related to COVID-19 in Armenia on our COVID-19 page here.

Coronavirus in the United States: What You Should Know

Effective January 26, the U.S. Centers for Disease Control and Prevention requires that all airline passengers traveling to the United States provide a negative COVID-19 viral test taken within 3 days of departure or provide a positive test result as well as documentation from a licensed health care provider or public health official of having recovered from COVID-19 in the 90 days preceding travel. Passengers must also attest, under penalty of law, to having received a negative qualifying test result or to recover from COVID-19 and medical clearance to travel. This testing requirement applies to all individuals age two or older who are traveling to the United States. You can find more information on the CDC webpage here.

Be Prepared Before You Visit the U.S. Embassy

The American Citizen Services (ACS) Unit at U.S. Embassy Yerevan continues to provide passport, citizenship, and notarial services. Please check our appointment page for available appointments Monday, Wednesday, and Fridays. Passport and CRBA pick-up hours are M-F, 2-4:30 pm.

When planning for your appointment, please keep the following requirements in mind:

- Please arrive ten minutes early to your appointment to allow time for security screening. If you arrive late, you will be asked to reschedule your appointment.
• Wear a mask. In response to COVID-19 all visitors must wear masks while at the Embassy. You are required to bring your own mask(s). If you do not have a mask, you will be asked to reschedule your appointment for another day.

• Come fully prepared for your appointment. If you are not fully prepared you will be asked to reschedule your appointment.

The STEP Program*

STEP is short for The Smart Traveler Enrollment Program. It’s a way for U.S. Citizen and nationals living and traveling abroad to enroll with the U.S. Embassy in any given country, and a way for the Embassy to contact citizens and nationals in the event of a crisis or natural disaster, a mass evacuation, or even a family emergency. STEP is a way for family and friends to contact you during such events. STEP is also the way the U.S. Embassy in Armenia communicates important Travel Advisories and Alerts via text and SMS, as well conveying information through newsletters and email. Though there is no requirement for citizens traveling or living in Armenia and elsewhere to enroll in STEP, we highly encourage it. Have your passport and itinerary handy when you enroll: https://step.state.gov

Get Outside!

Spring is here, and we wanted to share our favorite parks, hikes, and outdoor spaces for you and your family to enjoy! In order to better help you access green spaces and outdoor adventure in Armenia, we also have a list of websites and applications to provide trail information, maps, and more.

Yerevan Botanical Gardens: An urban botanical garden located near the Nor Zeytoun neighborhood just off the M4. The park is filled with paved paths and largely shaded, with trees and flowers surrounding the
paths and lots of spaces to put down a blanket and relax. T

Jrvedzh Park: A lovely forest park just outside of Yerevan with several dirt paths and a paved loop.

Aparan Reservoir: Just 30 miles from Yerevan, the Aparan Reservoir has several paths through a wooded forest into an open valley with a reservoir, along with a mausoleum and old church. The area is a beautiful meadow, good for picnicking.

Volunteer Opportunities

*Mother Teresa Orphanage*
A small, dedicated group of Catholic nuns run an orphanage for disabled children in Nork Marash (neighborhood in Yerevan). The sisters are always looking for volunteers to stop by to visit and spend time with the children. They have a wonderful local staff and international visitors who come to work with the children periodically.

*Helping Hands*
Helping Hands is a group of U.S. Embassy-affiliated Armenians and Americans who design monthly projects to assist socially vulnerable members of society. We need your enthusiasm and creativity! If interested, please contact Maritsa Hovhannisyan at HovhannisyanM@state.gov.

Websites

Lots of cafes and restaurants offer delivery services in Yerevan. The list here is for your convenience.
